Sir:

REQUEST FOR RECONSIDERATION UNDER RULE 116

Responsive to the Official Action dated January 12, 2005, kindly enter the following remarks.

REMARKS/ARGUMENTS

Reconsideration and allowance in view of the following remarks are respectfully requested.

Applicant and the undersigned wish to thank Examiners Poker and Enad for the courtesies extended during the interview of April 5, 2005. The arguments made during the interview are repeated herein for the record.

Claims 1, 2 and 6 remain pending. Claims 1, 2 and 6 stand rejected under 35 USC 103(a) as being obvious over Ogden. Applicant respectfully traverses this rejection.

Ignition coil devices are complicated structures having several constituent parts, requiring many man-hours to assemble, and are a challenge to make smaller.
